

ConSoc Tuesday Walkers Program, April to June 2024

New walkers: Contact Walk Leader before attending your first walk.

Check the website (bluemountains.org.au > activities > bushwalking), and your emails, during the 24 hours before the walk for program changes or walk cancellation. If the weather is hot or wet, phone the leader to check that the walk is on. When transport is by car, contact the leader 48 hours before the walk to book your seat. Drivers: Please advise the leader 48 hours prior if your car is available to take other walkers. Drivers travelling independently please notify leader 48 hours prior, to enable contact in case of late cancellation.

For PLB, contact Doug Nicholls: 0455 850 753
