**Nature Conservation Saves for Tomorrow**

The Hon. John Robertson  
NSW Opposition Leader  
Parliament House  
Macquarie Street  
SYDNEY NSW 2000

9 December 2014

Dear Mr Robertson

**A Declaration of Labor's Commitment  
to Building the New South Wales  
National Parks Estate**

The Blue Mountains Conservation Society is a community based volunteer organisation with about 800 members whose goal is to promote the conservation of the environment in the Greater Blue Mountains area.

At the IUCN World Parks Congress Held in Sydney in November, the NSW Labor Party made a declaration - a Commitment to Building the New South Wales National Parks Estate.

The Labor Party's declaration reflects Australia's Biodiversity Conservation Strategy 2010-2030 and the National Forest Policy Statement which was signed by all Australian governments.

The Blue Mountains Conservation Society congratulates the NSW Labor Party on this declaration.

Yours sincerely

Alan Page  
President  
Blue Mountains Conservation Society
